

Utility On Grid ESS

Utilities Product Platform

- 1. Latest integration technology:
- 2. Top level energy density:
- 3. Long product life

Application

A large, low-angle photograph of a modern building's facade. The image shows a series of horizontal concrete slabs with integrated balconies or walkways. A prominent concrete pillar is visible on the left side. The image is overlaid with a grid of colored squares (yellow, red, green, blue) indicating specific points of interest or damage. The squares are arranged in a pattern that follows the building's structure, with some squares highlighting specific areas of concern.

Power/Capacity	500kW/1MWh	1MW/1MWh	1.26MW/2.74MWh	2MW/2.21MWh
